Chime in!

We're about to do our board of directors retreat which sets our chamber, tourism and community development agenda for the coming year. Chime in! What do you think we should be working on? The board will really look at this and consider each comment. Have a project you think we should consider? Wish we would help you in some way? Do you think an event is out of this world or needs to die? Wish we'd back off on our efforts regarding a certain issue or kick it up a notch? This survey is confidential so let's hear it! Good, fabulous, bad, ugly, we really do want to know. You taking a few minutes to take this survey will go a long way in setting our agenda for the coming year. Thanks!

P.S. Congratulations to Malcom Lumber, which is celebrating its 32nd anniversary and one year since the fire that destroyed the front lobby and office area of their Grinnell location. You can tour their newly remodeled hardware area, offices and showroom on Friday and Saturday.
