Four awards for Grinnell

We are so thrilled that Grinnell received four out of twelve awards given to rural communities during the 2014 Iowa Tourism Conference in Council Bluffs last week.

Our organization won the Outstanding Social Media Execution award as well as the Outstanding Event award for Grinnell Games. The ice skating rink won Outstanding Collaboration and Prairie Canary received the Outstanding Dining Experience award. In addition to four first places for Grinnell, Monte Fest placed second in the New Event category.

We are just tickled pink to be recognized by our peers across the state for the tourism work happening here in Grinnell. Things like this keep people across Iowa asking 'what's happening in Grinnell?'. Our city has it going on! ([click for full list of awards](#))
