Two Things: Vote and Sign Up

The vote on the Grinnell-Newburg bond referendum is next Tuesday, April 7. Regardless of your opinion, we hope you will take the time to go to the polls and cast your vote. This vote is for a bond to build a new 6-8 Middle School and a new PreK-5th Grade Elementary. There is a website dedicated to information about the proposed projects, including a great [FAQ page](#). The polls will be open from 7 a.m. to 8 p.m. [Click for polling locations](#).

On another note, Grinnell Games registration is up and running! The Grinnell Games are June 12-14 this year. We hope you will make plans to be in Grinnell that weekend and participate in the fun. Last year, we had 901 participants from 12 states. We'll be

working hard this spring to make those numbers even larger this year. The event is a way for us to brand Grinnell as a sports and recreation destination in Iowa. An event of this scale does not happen without the help of many volunteers. Would you sign up for a **volunteer shift**? Sign up now while most of the shift options are still available so you can have your pick. Would you also spread the word to your family and friends? Invite them to stay with you and participate in an event or two that weekend. You can check out the schedule and sign up for events at grinnellgames.com. We're still working to make a few additions to the event schedule yet this spring, so stay tuned for updates!
